NOTICE OF THE HARPENDEN URBAN DESIGN GROUP

Architects and members of allied professions who live in Harpenden met at the Plumber's Loft on 7th March 1968.

1. IT WAS AGREED

- (a) to call the group

THE HARPENDEN URBAN DESIGN GROUP

Membership is to be open to anyone living in Harpenden who is engaged professionally in any branch of urban design (architects, engineers, surveyors, town-planners, landscape architects et al.)

- (b) to invite members of these professions living in Harpenden to join the group. At present the mailing list includes the following but if you know of anyone else who is suitably qualified and willing to participate, please invite them to the next meeting or pass their names to the Convenor who will then forward a notice.

- (c) It was further agreed to suggest to the Harpenden Society Committee that a

JOINT COMMITTEE ON URBAN DESIGN

should be set up, consisting of members of the Harpenden Society and members of the Urban Design Group, which should approach the Harpenden Urban District Council with a view to meeting members of the Council's Housing and Town Planning Committee, together with its Officers and those of the County Council engaged on matters concerning the future development of Harpenden in order to discuss, at regular intervals, the broad principles of urban design as they affect Harpenden.

Initially four members i.e. J.S. Bonnington, D.J. Oakley, G.F. Taylor and E.P. Wilson, will attend the joint committee on behalf of the group.

2. THE HARPENDEN URBAN DESIGN GROUP

will meet again on 2nd May at the Plumber's Loft, Chairman J.S. Bonnington, when the future work of the group and especially the actual implementation of policy will be discussed.

FOR INFORMATION

We are informed that the Harpenden Society Committee welcomed our proposals and has already made an approach to the Council on the basis of Item (c) above. The whole matter will be discussed as the main item of business at the annual meeting of the Harpenden Society which is to be held in

THE SMALL PUBLIC HALL

AT 8 P.M. ON TUESDAY 2ND APRIL

As the group will be working in close association with the Society, it would be an advantage if members were able to attend the Society's meeting on 2nd April.
